

Women of a Certain Age...

*Has your sex life deteriorated because of pain?
Do you feel burning or knife-like pain during
intercourse?*

*Do you avoid intercourse because of pain?
Has sex been painful after abdominal,
gynecological, colorectal surgery or
menopause?*

Please join Margaret Bryden, PT, WCS and the staff of Indiana Physical Therapy Woman and learn how women's health physical therapists can help eliminate that pain and return you to the sex life you want and deserve!

Thursday, August 25
