OUR STAFF

Indiana Physical Therapy is proud of its staff's additional training and certification beyond the licensure requirements of the State of Indiana. The IPT staff includes: Certified Orthopedic Clinical Specialists, Certified Women's Health Clinical Specialist, Certified Manual Therapists, Manual Lymph Drainage Specialist, Decongestive Therapy Specialist, and Strength and Conditioning Specialists. Our highly credentialed and experienced therapists can be found at all Indiana Physical Therapy clinics in Indiana.

OUR CUSTOMER SERVICE COMMITMENT

- All patient evaluations are scheduled within 24 hours of notification; same day appointments are available as well.
- IPT guarantees timely communication among our staff and patients, physicians, employers, insurance companies, and case managers. Everyone involved in your care will be kept informed of your progress and recovery at every step.
- IPT accepts all insurance plans. We gladly verify insurance benefits for our patients.
